Volunteers go Into the Streets for student-led day of service

Nearly 140 UAB volunteers worked with six community partners at 14 sites around Birmingham, including Birmingham Botanical Gardens, Sozo Trading and the Live HealthSmart Alabama community cleanup in Kingston.

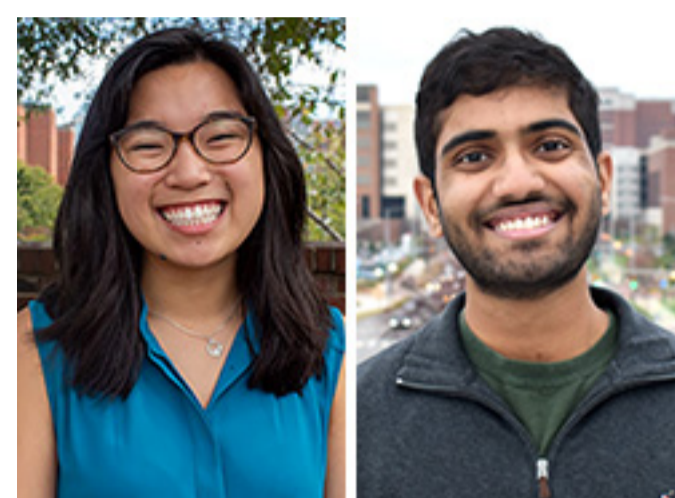

Fleming to present research to Capitol Hill

Biology student Ryleigh Fleming is one of 60 U.S. college students selected to participate in the Council on Undergraduate Research's virtual Posters on the Hill. Her research, mentored by Associate Professor Sami Raut, Ph.D., examines barriers to service-learning during a pandemic.

UAB graduates selected for graduate research fellowships

Courtney Severino, who completed her bachelor of science in materials engineering at UAB in 2020 and is pursuing a master of science in engineering management at UAB, is one of three recent graduates to be awarded National Science Foundation Graduate Research Fellowships.

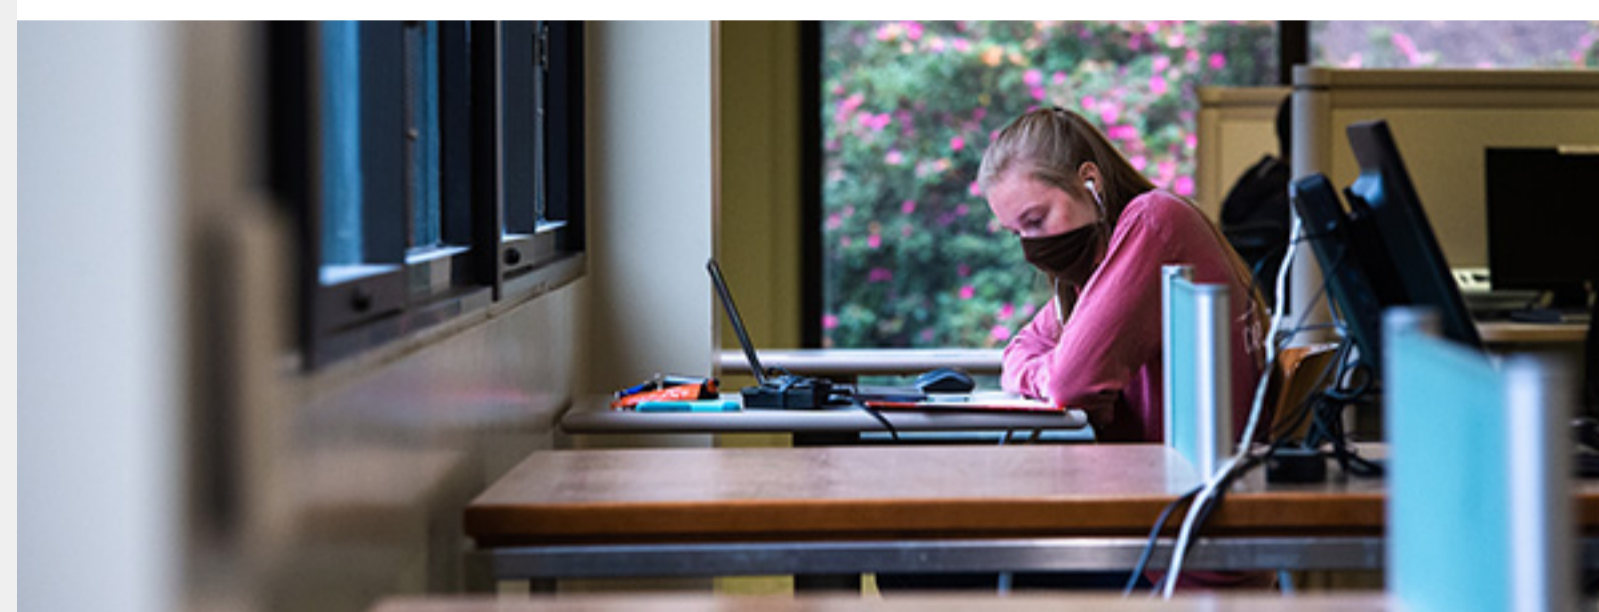

2 students selected for Goldwater scholarships

Rose Albert and Karthik Reddy, both members of the UAB Honors College and students in the College of Arts and Sciences, will receive the competitive math and science award for undergraduates.

Coping with coronavirus

More of campus opens — with safety guidelines still in place

Some campus locations closed during the COVID-19 pandemic now are open. Read more to learn where you can see art, buy UAB merch, dine in and work out on campus.

Contact DSS for personal health accommodations on campus

Students with qualifying conditions may be eligible for COVID-19-related temporary academic adjustments for the summer semester through Disability Support Services. [Learn more online.](#)

City extends mask ordinance to May 24

The Birmingham City Council mandatory mask ordinance includes all public buildings, businesses and entertainment venues within the city limits. UAB will continue to enforce its mandate on campus grounds, in buildings and on transportation services.

FROM A BLAZER: Why you should register for a COVID vaccine

Everyone in Alabama 16 and older is now eligible to be vaccinated; register online now. "I received the vaccine to protect myself and others, and I encourage others to do the same," says freshman neuroscience major Sumedha Bobba.

INFO

New mural in Health Professions fosters joy, unity and pride

A new mural on the first floor of the School of Health Professions building captures what it means to be a Blazer in a variety of vibrant greens, yellows and blues.

IRS warns of an ongoing phishing scam

Students with "edu" email addresses are receiving emails with subject lines such as "tax refund payment" or "recalculation of your tax refund payment" that solicit personal information. If you receive one, forward it to phishing@uab.edu.

Collegiate Recovery launches weekly series in April

Join the UAB Collegiate Recovery Community 6 p.m. each Tuesday in April for a better understanding of the science behind substance-use disorders and the recovery process.

Collat grads offer advice on landing jobs during a pandemic

Three recent graduates and one current student share how they secured employment during a pandemic and offer advice to job-seeking students.

Mark your calendars

Here's how to navigate the campus calendar like an expert

Lectures, art exhibits, concerts, add-drop deadlines and more can all be found at calendar.uab.edu. Matt Cuthbert, UAB's resident calendar expert, offers tips for using the calendar most effectively.

Some things that may interest you:

- **Learn about scholarship opportunities in the UK April 9**
- Submit, view, vote in Video Research Awards competition April 9-12
- **Get a free meal kit for a taste of Italy with virtual cooking class April 13**
- Hear grad students present Discoveries in the Making April 13
- **Learn to make a zine during Grad Student Fun Night April 14**
- Discover how to create and manage your personal brand April 14
- **Pick up your Wellness Day kit, take a mindfulness walk April 14**

One more thing

Theatre UAB to present student-led production free on Vimeo

"The Way You Made Me," starring Farryn Owens and McKenna Shaw, is a story of unpacking and drawing the connections between our family, our lovers and ourselves. The pre-recorded show will be released to the Theatre UAB Vimeo page 7:30 p.m. April 10 and will be available through the weekend.
