What will you choose?

Poverty Simulation opens high-impact, interprofessional training to all students

This eye-opening experience is more popular than ever. Hear from faculty on how they incorporate the two-hour sim, now fully online, in their courses for undergraduates, graduates and professionals.

Did you miss the town hall on the Campus Engagement Survey results?

The survey results were presented in a public forum April 19. They offer much to celebrate and opportunities for improvement. See a PowerPoint/video of the presentation at uab.edu/engage.

More news online

Get campus news at uab.edu/reporter and uab.edu/news. Check the Campus Calendar for more events on campus, and submit your own. If you have news you want to share, use the [Request Publicity form](#) online.

Things to know

IMPORTANT: Adminsys will be retired May 1

Find your apps on my.uab.edu

Beginning May 1, the Administrative Systems page will be replaced by the myApps tab in the myUAB portal. myApps keeps the functionality of the uab.edu/adminsys page — enabling you to choose which apps most benefit you and arrange them as needed — and gives you even better tools to streamline your day.

Total Compensation Statements available online

UAB, UAB Hospital and LLC employees can access their 2023 statements, which illustrate the value of employees’ total compensation from UAB, including salary and benefits. Look for them in the UAB for Me portal at uab.edu/hrintouch.

Nominations open for university awards:

Due April 30:

- President’s Awards for Excellence in Teaching — [find details online](#)

Due May 1:

- Distinguished Faculty Lecturer Award— [submit to samil@uab.edu](mailto:samil@uab.edu)

Blazer achievements

Blazers join new Schweitzer Fellowship class

Students from the schools of Dentistry, Health Professions, Optometry and the Heersink School of Medicine are 2023-24 fellows for the Albert Schweitzer Fellowship of Alabama, which trains future health professionals to serve vulnerable populations in the state.

Research & learning

Do you conduct environmental research? You could get funding

The UAB Superfund Research Center is accepting applications for pilot studies focused on research in environmental pathology, engineering, public health or remediation, prioritizing work that focuses on underserved and marginalized communities. Proposals are due May 1; details are [online](#).

CWRH Seminar Series: Gina M. Northington, M.D., Ph.D.

Gina M. Northington, M.D., Ph.D., Emory University School of Medicine, will present “From bench to bedside: What do we know about pelvic organ prolapse and how does this inform treatment?”
