How did we do? Forging the Future of Research

This semester, UAB students, faculty and staff will have the opportunity to provide feedback and influence UAB's next strategic plan — Forging Ahead — which will guide continued, purposeful growth for 2024-2028. As we look ahead, let's revisit the success achieved together through Forging the Future, UAB's current strategic plan. Each week this month, we will dive into a pillar of our mission and the 2018-2023 strategic plan; this week, we celebrate our shared results and positive momentum in research.
