A Son Might Say

It's about time you got a muffin
top yeah no stop my god you are
conceited don't take everything
so personally ugh why should you
get special treatment why can't you
just not do that why would anyone
eat that why would you wish for it
what will you do with flower petals
take them home and watch them rot
I didn't buy them for you they are
hers you should let her throw them
in the garbage if she wants to mom
he is not your baby you drive me
crazy oh look the car seat is now
a beer holder this is not going to be
a habit what did I tell you duh that is
exactly why I don't tell you anything
have you learned nothing from this
week if someone looks unhappy
leave him alone you never know
when to shut up no he's my baby
I'll hold him I'll change his diaper
I'll feed him you're doing it wrong
should I do it like this why would I
not ask you of course I love you
you're my mother if you ask again
I'm going to hit you why do you ask
stupid questions are you dumb as fuck
yeah sleep well see you in the morning
drive safe call me if you need anything
